Ensuring the safety of your son/daughter while he/she takes part in the Pilgrimage to Medjugorje

Dear Parent/Guardian,

Thank you for allowing your son/daughter the opportunity to participate in our diocesan pilgrimage to Medjugorje.

Because your son/daughter has not reached the age of 18, the complete responsibility for their safety must therefore pass to you while they are engaging in all activities and at all times during this pilgrimage to Medjugorje.

This means that they must always be accompanied by you for the duration of the pilgrimage.

This is so that the diocese complies with safeguarding policy and procedures and health and safety procedures while we are on pilgrimage. We are not in position to provide the necessary supervision that is required for those who are under 18 years of age.

By signing this form below, you as parent/guardian are agreeing to take full responsibility for the supervision and safety of your son/daughter and will satisfy yourself that he/she is safe at all times.

You understand that the Diocese of Elphin takes no responsibility for the safety of your son/daughter in your care while they are on this pilgrimage with the diocese, as this will be your sole responsibility.
